BOEING PROPRIETARY. LIMITED RIGHTS LEGEND. Contractor: The Boeing Company. Contract: F34601-92-D-1120. Rights in technical data are controlled by the applicable clause in the identified contract.

LIMITED RIGHTS LEGEND

Contract No. F33657-79-C-0439

Contractor: The Boeing Company

Explanation of Limited Rights Data Identification Method Used

APPLIES TO ENTIRE DOCUMENT

Those portions of this technical data indicated as limited rights data shall not, without the written permission of the above Contractor, be either (a) used, released or disclosed in whole or in part outside the Government, (b) used in whole or in part by the Government for manufacture or, in the case of computer software documentation for preparing the same or similar computer software, or (c) used by a party other than the Government, except for: (i) emergency repair or overhaul work only, by or for the Government, where the item or process concerned is not otherwise reasonably available to enable timely performance of the work, provided that the release or disclosure hereof outside the Government shall be made subject to a prohibition against further use, release or disclosure; or (ii) release to a foreign government, as the interest of the United States may require, only for information or evaluation within such government or for emergency repair or overhaul work by or for such government under the conditions of (i) above. This legend, together with the indications of the portions of this data which are subject to such limitations shall be included on any reproduction hereof which includes any part of the portions subject to such limitations.
